SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. §1.97

Dear Sir:

Applicants submit herewith PTO Form 1449 and copies of the disclosed references for
consideration by the U.S. Patent and Trademark Office in connection with the above-identified
application. particularly relevant

It is believed that these references either taken alone or in combination do not disclose
or suggest the invention claimed by the Applicants. However, it is the Applicants' desire to have
these references available in the record for both the Examiner and the public to see. Applicants
specifically reserve all rights of privilege and confidence with respect to this matter and submission of
this document is not to be construed as a waiver of those rights. Moreover, submission of this
document should not be considered an admission that the references cited herein are proper prior art
to the aforementioned application.

Patent
Attorney Docket No. 047542/0197

Applicants respectfully request that the Examiner consider the listed documents, and evidence that consideration by making appropriate notations on the attached form.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that listed documents are material or constitutes "prior art." If it should be determined that the listed documents do not constitute "prior art" under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present application.

Since this statement is being filed after receipt of the first office action, a check for \$180.00 is also enclosed. If any additional fees are due, please deduct them from Deposit Account No. 06-1450 of Foley & Lardner.

Respectfully submitted,

Marshall J. Brown
